

Sierra Desert Breeders promotes *Right to Life*.

This February, 25% of the semen sales of some of our top bulls will be donated to your local Right to life Organization in Central California.

"Right to life organizations in the Central Valley have worked faithfully to promote the value and respect of all human life, especially the unborn, the infirm, and the aged."

"Right to Life organizations are non-profit, non-partisan, non-sectarian organizations whose fundamental purpose is to restore societal respect and effective legal protection for all human beings from fertilization until natural death."

"Right to life organizations in Central California are strictly non-violent. We oppose violence against babies and against the abortionists who kill them. We do not engage in civil disobedience. All activities fall within the legal bounds of the First Amendment. Just as Dr. King sought to create a 'creative tension' to awaken the nation to the horrible injustice of segregation, we too are creating a 'creative tension' to awaken the nation to the horrible injustice of abortion."

~ www.rtlcc.org

SDB and their employees all cherish life and are eager to raise as much money as possible for these organizations.

Help the unborn by writing out a tax deductible check to your local Right to Life Organization with your purchase of semen this February.

Visit our web page or contact any Sales Representative from SDB for more details.
